

STOP WEAPONS OF MASS MEDIA DESTRUCTION
(WMMDs)

Sinclair's intention to the documentary will change the face of mass media and the way we communicate forever. The line between propoganda and news has already been crossed numerous times during this election campaign.

Whether one is to the left, right or in the middle, Republican, Democrat or Independent makes no difference in how offended and alarmed he or she should be with this direct manipulation of the public airways to slant the election to one side or the other.
